Maxine McCall visited the 1st Period Advanced English Class to discuss the subject of ballads. She also told of the ballad she had written, called "The Quilting". The story revealed the first woman in N.C. to be hung.

2nd Period Advanced English received a visit from Mr. J. J. Williams. Mr. Williams discussed electronic music and how to compose music. He has written several numbers, the latest one being "The Circle." This song has been sung by the HHS Chorus, Mars Hill Band Camp, and the Schubert Music Club in Morganton.

Memoriam

Tragedy struck at the heart of Hildebran the summer of 1972 when Dorothy Elaine Wright was taken from us. The reason for her death cannot be questioned as the existence of the universe cannot be questioned. Instead of trying to erase the tragedy from our minds, we must let the memory of Dottie Wright strengthen our ability to face reality and encourage us to live each moment of our lives to the fullest, as she did.

We shall always cherish our memories of Dottie. She was a unique individual, whose beautiful spirit and zeal for life brought her close to the hearts of many. Even death cannot break the bondage of love. Dottie Wright has left us, but she has found eternal peace on the shelter of Heaven. (Copied from the Royal Revue)

*Denise:
I've enjoyed
knowing you.
You don't know how much
I wish I could get to
know you better. We've
had some good times and a few
bad, but I think the good outweighs
the bad. I thought we were going
to get ~~to~~ back together at the Spring
concert last year. But something went wrong
I don't know what. Well that's all
I hope I see you around sometime.*

*Soon it shall all be over.
A school year gone again.
A year to look back over,
Wishing it wouldn't end.*

*Remember when they painted the Tower?
And we wondered if they'd even get done.
When we beat Foard that first time?
We knew we were still NUMBER ONE!
Remember when Rick Carreno came to town?
And when devotions started that first day?
To tell those who are troubled,
That Jesus is the way!
Remember that first snow?
And when Wanda was crowned queen?
Remember the Chorus and Band Concerts?
That made the Christmas scene.*

*We can all look back and say
There were good times and bad.
But when it gets right to the point,
Those were the best days we'd ever had.*

*To all who will be leaving,
And don't know how to say good-bye,
We'll just say what's in our hearts:
WE LOVE YOU HILDEBRAN HIGH!!*

Cathy Dentino Watson

Denise,
Or (Franky).
You are really a
great kid. We've had
some really good times
together this year. Remember going
to SEARS!! Woh! Oh! and all the
times we spent in the bathroom smoking
if that's what you really want. I still think of
you and R.B. though. He and all my men will
have to try to work something out. I have so many
now I can't count them you know. (It's not

Klenise,

Well, we made it through another year. High School is great isn't it? It'll probably look by and we'll be wishing it back. There are so many things I'd like to tell you, but I can't find the words. But you're a great friend. I hope you get the best things out of life.

You deserve them. Remember the lockers they were becoming my home away from home, and the mascot fights - wow was that a mess!

Miss Stamey is really great - where else could we leave class? (unnoticed) This was a pretty swell year and you helped make it. Good luck to you and Bruce and don't ever hurt him. Take care in all you do (especially, driving)

A friend forever and a day,
